

KASSIDY HOGAN

PROFESSIONAL EXPERIENCE

Athens, GA

May 2020 - August 2020

Intern

East Georgia Cancer Coalition

- Designed informative social media materials related to cancer awareness and prevention
- Communicated with state law makers regarding the importance of state funding for cancer screenings and community outreach in order to prevent state budget cuts that, if passed, would have severely limited the services the center provides to vulnerable populations across Georgia.

Athens, GA

December 2019 - Present

Research Assistant

Institute of Gerontology

- Worked closely with public health professors and graduate students in planning a diagnostic care center for Alzheimers patients
- Collected and analyzed data regarding the nutrition of students eating at university dining halls
- Completed a systematic literature review on the needs of primary caregivers for those with dementia in rural settings
- Compiled a list of imaging and diagnosis centers for each county in Georgia
- Collaborated on the development of a neurological battery exam to assess cognitive impairments in older adults
